"KC TOOL MAN" OF THE MONTH!

- Name: Scott McIntyre
- Store: New South Wales
- Position: Warehouse Supervisor
- Nickname: Macca
- Favourite tool and why: The sledge hammer because you can either fix it or smash it -whatever works for you!
- Biggest DIY success: Getting insurance to pay for painting the inside of the house instead of me having to do it.
- Biggest DIY stuff-up: Ripping up 6 hours worth of paving after finding I was working off an edge that wasn't square!
